

Knotweed Workshop & Removal Project

**Location: Lake Boren Park, Newcastle
13011 SE 84th Way, Newcastle, WA**

**From I-405, take exit 9 to Coal Creek Parkway. Turn west from
Coal Creek Parkway onto 84th Way, south of downtown Newcastle.**

When: Saturday, September 18th, 2010

Time: 10:00 AM – 2:00 PM

**Instructor: Frances Lucero,
Knotweed and Riparian Expert,
King County Noxious Weed Program**

Learn how invasive Knotweed can be effectively controlled and even eradicated by the use of herbicide injections. The strategy presented at this workshop empowers citizens to win the battle against Knotweed that is invading parks and open spaces in King County. This free workshop is a cooperative effort with Newcastle Weed Warrior volunteers, the City of Newcastle, and the King County Noxious Weed Program using Best Management Practices as outlined by the WA State Noxious Weed Program.

This workshop and removal project is environmental stewardship in action, demonstrating the willingness of concerned citizens, public entities and educators to tackle the difficult problem of invasive plant species that negatively impact our environment.
